)	
Filed:	September 27, 2005)	Confirmation No: 1873
)	
Title:	TEMPERATURE COMPENSATION ELEMENT FOR A CONNECTION UNIT		

Mail Stop PCT LEGAL
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

SUPPLEMENTAL REQUEST TO WITHDRAW THE HOLDING OF ABANDONMENT

In accordance with 37 CFR 1.181(a) and 1.8(b), Applicants respectfully request the Commissioner to withdraw the holding of abandonment on grounds that a complete reply to the Response to Notification of Missing Requirements within the time period specified in the Notification was filed with the USPTO.

On August 29, 2008, Office of PCT Legal Affairs Legal Examiner Rafael Bacares dismissed without prejudice Applicants' previously filed request to withdraw the holding of abandonment dated 26 June 2008. Mr. Bacares reasoned that Applicant did not satisfy

Serial No. 10/550,781
Atty. Doc. No. 2003P04656WOUS

requirement (2) of 37 CFR 1.8(b) because "the present petition includes a copy of the previously transmitted correspondence and certificate of transmission, however, no copy of the executed declaration filed on August 7, 2006 has been filed."

In response, Applicants submit a copy of the executed declaration filed on August 7, 2006 by the person who executed the Certificate of Transmission under 37 CFR 1.8 on the response materials, Ann Hickey, as indicated by the Certificate of Transmission.

Reconsideration and withdrawal of the holding of abandonment is therefore respectfully requested.

The Commissioner is hereby authorized to charge any appropriate fees due in connection with this paper, or credit any overpayments to Deposit Account No. 19-2179.

Respectfully submitted,

Dated: 7/8/08
